

C. B. (Cindy) Shulman Appointed Univation Technologies President

HOUSTON, TX - Cindy Shulman has been named President of [Univation Technologies'](#) bringing more than twenty five years of chemical and polyolefins business management, marketing, sales and technology experience to the company. Univation Technologies, headquartered in Houston, TX, is the leading technology licensor and catalyst supplier to the worldwide polyethylene industry.

"I'm looking forward to being part of a company that leads the PE industry with the UNIPOL™ PE Process. Providing clients with a flexible technology designed to adapt to changing market needs with proven reliability is an exciting opportunity", noted Shulman.

Prior to Ms. Shulman's Univation position, her most recent assignment was Global Polyethylene Marketing Manager for ExxonMobil Chemical's Polyethylene business encompassing worldwide marketing responsibility. Previously, Ms. Shulman held Global positions as the Marketing Manager of the Fluids Business and Automotive Business Manager for polypropylene where she was on the Board of two joint ventures located in the U.S. and Asia. She also spent time in Brussels, Belgium as ExxonMobil Chemical's European Fluids Business Manager.

Ms. Shulman holds a Bachelor of Science degree in Chemical Engineering from the University of Massachusetts at Amherst.

About Univation Technologies
